THE BELL

OF

MONTGOMERY BELL ACADEMY

FOREWORD

We, the Senior Class of Montgomery Bell Academy, wish to leave this annual to the memory of our great year 1950-51. Great things lie ahead for some of us, but all of us are endowed with the pleasant thoughts and fond memories of the past days spent on the HILL. So, every decade or so, get down your old annual, dust it off, and try to relive in thought the great school year of 1950-51.

The 1951 BELL is dedicated to Mrs. John A. Bitzer. Head of the English department, faculty member for the last eight years, "Mrs. B" is noted for her hard tests, sense of humor, and ability to turn out crack English students. The Senior Class of 1951 is indeed proud to dedicate its annual to this truly fine teacher.

Business Manager

The 1951 BELL staff has endeavored to portray in these few pages the full and happy day by day life of the boys at M.B.A. It is the desire of the entire staff that in future years you can thumb thru the pages of this yearbook and remember the good times had at the ACADEMY.

The staff wishes to hail Ben Moore and Jack Todd who held the positions of business managers. It was thru their tireless effort that the advertisement space was sold and therefore this annual was possible.

We also wish to give credit to R. L. Sager, faculty adviser, and to H. W. Griffin, of McQuiddy Printing Company, whose patience and sagacious guidance directed the staff thru the year.

THE BELL RINGER

The BELL RINGER, under the competent hand of editor Togy Jones, is serving as the mouthpiece of the students. Although, to date, not quite as many papers have been published as last year, the quality of the ones published has been very high. The paper so far has maintained a very high place in competition with others in the Mid-South.

The staff wishes to thank the faculty advisers: R. L. Sager, J. C. Rule, and J. M. Moody who have offered their time and work.

Mr. Blackburn Leaves Academy At Mid-Term

Mr. George M. Blackburn, Economics, Law and History teacher at the Academy, left the school at mid-term to go back in the Air Force in which he serves as a Major.

We all hate to see such a fine teacher leave. The boys at M.B.A. liked Mr. Blackburn for his understanding of them.

He put the student and teacher on a 50-50 basis. He put over his subject matter in such a way that the boys enjoyed his classes. He was never in too big a hurry to take time out to hear a joke; never too eager to give a test. In this way the students enjoyed his classes and were interested in their work.

Mr. Blackburn was a friend of the boy. He often spent much time chatting with the boys over everyday problems such as the Army and other things that the students were interested in.

Mr. Blackburn brings everyday examples into the class room and shows the students that they are taking practical courses.

He trusts the student and thus builds up the friendship that should exist between the teacher and the student.

All the boys at M.B.A. mean. We leave and we luck.

Mr. Blackburn of a "future of thousands" which he took to his guard will live on farm with his sons.

Key Clubbers Get Ready For Meet

Several Academy Key Clubbers are planning to make a journey to Chattanooga to attend the Tennessee-Kentucky District meeting of the club and see Governor Carpenter in action.

The Kiwanis Club is furnishing a bus to take the boys from West, Ryan and M.B.A. to the convention.

These conventions are usually exciting experiences, especially for the boys who have never been on one of these trips. The only necessities are a deck of cards and some money and a good time is guaranteed.

Seriously, this is an opportunity for every member of the Key Club to see Chattanooga at a minimum of expense.

Alan Cooper will head the seventh edition of the Bell, the annual of M.B.A. Cooper was chosen for his fine work on the Bell Ringer last year and for his work as assistant feature editor of the Bell.

Bell R

As in past years the Bell Ringer will sponsor class representatives. Each class, with the exception of the junior school, will select any girl of high school age whose picture will appear in the next issue. This is a chance for every boy to go out and scrape up some votes for his girl. Many local beauties have appeared in the past, including an autographed picture of Liz Taylor, which is now the posses-

sion of Charles "All City" Rolfe. All classes must have decided on their representative by Friday, March 28.

These sponsors seem to add a little color to the otherwise dull Bell Ringer so get busy and select some rare beauties and turn in your decisions to assistant Charles Potter.

The lovely chosen by the Freshmen will appear in the next issue, if we should be so lucky.

part of the Academy. He had more school spirit than many of the boys and he was a friend of the boys.

Robert knew the Bible like the back of his hand and many of us remember his old much-used Bible.

Robert was an integral part of M.B.A. and we shall always miss him.

True opinions of other students include:

Alan Cooper: "I think it would be a choice idea since we are all such good boys."

Ross Evans: "I think that would be a good thing if they wouldn't be abused."

Bob Wilk: "Senior privileges to boys who have passing grades and who will obey any necessary restrictions."

Dillard Adams: "They are a must."

NATIONAL HONOR SOCIETY

The M.B.A. chapter of the National Honor Society is composed of boys who have compiled outstanding records in their scholastic activities. The sole purpose of this club is to give recognition to the hard work done over a period of years by these boys.

THE KEY CLUB

The Key Club, sponsored by the Kiwanis Club, was organized for the development of the students and the improvement of the school. The four aims of the organization are: (1) To develop leadership (2) To provide experience in working together (3) To serve school and community (4) To prepare for useful citizenship. This Club aids in the promoting of school spirit by sponsoring dances, sponsoring an intramural basketball tournament, bringing in outside speakers, and making improvements around the campus.

All students, excepting Freshmen, are eligible to become members, provided they attain and maintain a scholastic average in the upper third of their class, are of good character, and are active in extracurricular activities.

M.B.A. started the football season with an impressive 14-0 victory over East. It was a team victory. East fumbled—M.B.A. gained on two successive drives through center—Ackley scored, then went through the middle for the conversion. After a second touchdown the game tightened and was scoreless the second half.

WEST	7

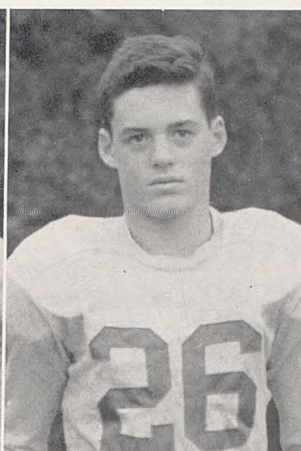

With Ray and Moates leading the scoring, the Big Red attack rolled over West 27 to 7. Brooks, a guard, broke into the scoring when Ackley blocked a Blue Jay punt. In the fading seconds following a West High score, Ray took the kickoff and went the distance for the final tally.

Trailing 7 to 6 at the half the Red Team literally bowled over the Bronco Busters on their own field. "Gooch" Graham, though he had an injured leg, led the linemen along with Tom Cate. McDaniel intercepted a Buster pass and raced 70 yards for a score—this was the highlight of the game.

Traveling out to Old Hickory the Maroons, sparked by All-City Charlie Rolfe blasted the Bulldogs to the tune of 42-12. Vicious blocking and tackling were outstanding on both sides. Brooks and Sloan teamed with Jimmy Anderson to bear the brunt of the defense.

M.B.A.'s streak of 26 games without a defeat ended as the Memphians downed M.B.A. in a hard contested struggle 26-13. Leading at the half the Maroons drew from Coach Allen these words of praise: "It was the greatest offensive half an M.B.A. team has ever played." Coach Allen drilled the Maroons long and tedious hours in preparation for the contest but the valiant efforts of the Big Red, led by Rolfe and Blackwood, were not enough for the victory.

SPRINGFIELD	33

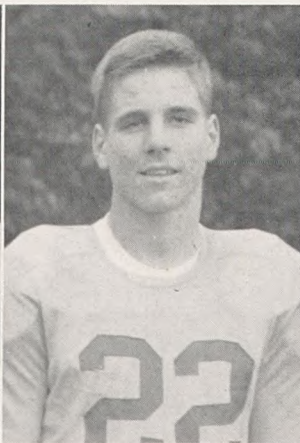

Set off by veteran mentor Howard Allen's hidden ball play (good for 96 yards and a touch-down) this game exploded into one of the greatest games ever witnessed in interscholastic play. On the initial score the entire Maroon backfield, backs to the goal, boomed around right end led by the left side of the Big Red forewall. The Yellowjackets swung their defense to meet the play. Then it happened, Rolfe sprinted from his position with the ball cleverly concealed and went the distance untouched. But surprises came from both sides and in the waning moments the Yellowjackets stung the hopes out of the Maroons as they tied the score 33-33 only to fail on the conversion attempt.

CLARKSVILLE	19

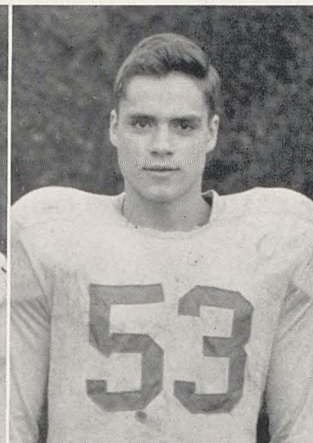

Kicking and running and blocking plus playing a great defensive game, Big John Ackley warmed the chilled spectators as he led the Red attack to a 42-19 trackmeet. Scoring twice on 20 and 60 yard runs respectively, Ackley bowled through the opposition aided by inspired blocking by the entire Maroon forewall.

LITTON	32

This was it—the championship. M. B. A. traveled out to the Gallatin Road school weary from an exhausting schedule. Though the Lions had a mediocre team—literally stomped by Springfield—they were defeated in the League by vastly improved East. It was quite rough and when the smoke cleared, the running of Ray and Moates and the all around play of Cate and Graham were outshown by an adverse score of 32-20. The Reds took the lead on the first play as Ackley went 56 yards for a tally but went down under the superior strength of the Lions combined with that of the referees.

EAST	26

The tide turned as East ran over the Big Red 26 to 6 in the first annual Turkey day Clinic Bowl Game. Cate, Graham, and All-City Ray sparkled even in defeat.

Though the Maroons faltered at the last their undying spirit resounds through the School on the Hill. Coach Allen's boys recharged the currents of desire and determination which has always been a part of M. B. A. and which is ably instilled into the heart of every boy who is fortunate enough to play under Coach Allen. The scores of this season are set, as are those games written into the books in other seasons passed. Yet M. B. A. looks to the future with confidence equal to the pride with which it looks on the past. Football has built men from boys and at M. B. A. it always shall.

M. B. A.'s record of won and lost was far from impressive. With only three seniors on the squad, Ackley, McDaniel, and Howell, the Red team was in a state of rebuilding.

Ackley and McDaniel were the only returners from the previous season and along with Jarman, Blackwood, and Buford made up the first five. However the substitutes spelled the regulars often and ably.

The highlights for M. B. A. were few but the near upset of highly-favored West along with the stunning victory over North were the bright spots of the season.

The team flared brilliant at times but failed to play a full game of all-out basketball. This was the primary weakness of the team and was prevalent throughout the season. The charges of Howard Allen are looking forward with brighter prospects toward the coming season.

Tennis

Under the able guidance of Coach Jim Rule, the M. B. A. tennis team added the sixth straight city championship to their list of honors. Led by Inman Fox, State Boys' Champion and Boys' City Champion, and Fontaine McDaniel, the squad also captured the state championship. The squad is pictured above.

Golf

The golf team under Coach George Blackburn made a fine showing. Led by Lem Stevens, Robert Temple, and Robert McNeilly, the team easily took the city trophy. Returning lettermen are (left to right) Parmer Temple, Alan Goar, and Stanley Seat.
